PROJECT SHOWCASE | Comcast (Chennai) – Civil & Interiors EXECUTED BY CHERRY HILL INTERIORS

Connecting millions of people to moments and experiences that matter most, Comcast is a global media and technology company with three main businesses: Comcast Cable, NBCUniversal, and Sky.

As a media and technology company, Comcast is committed to using the power of its platforms, its people, and its reach to create a positive change and a more equitable society in the world around us.

Brands under Comcast connect millions of people and businesses - providing the best in Internet, TV, media, entertainment, voice, mobile, and home management.

Designing products and experiences on a daily basis, *Comcast helps people stay connected to the things they love most.* 

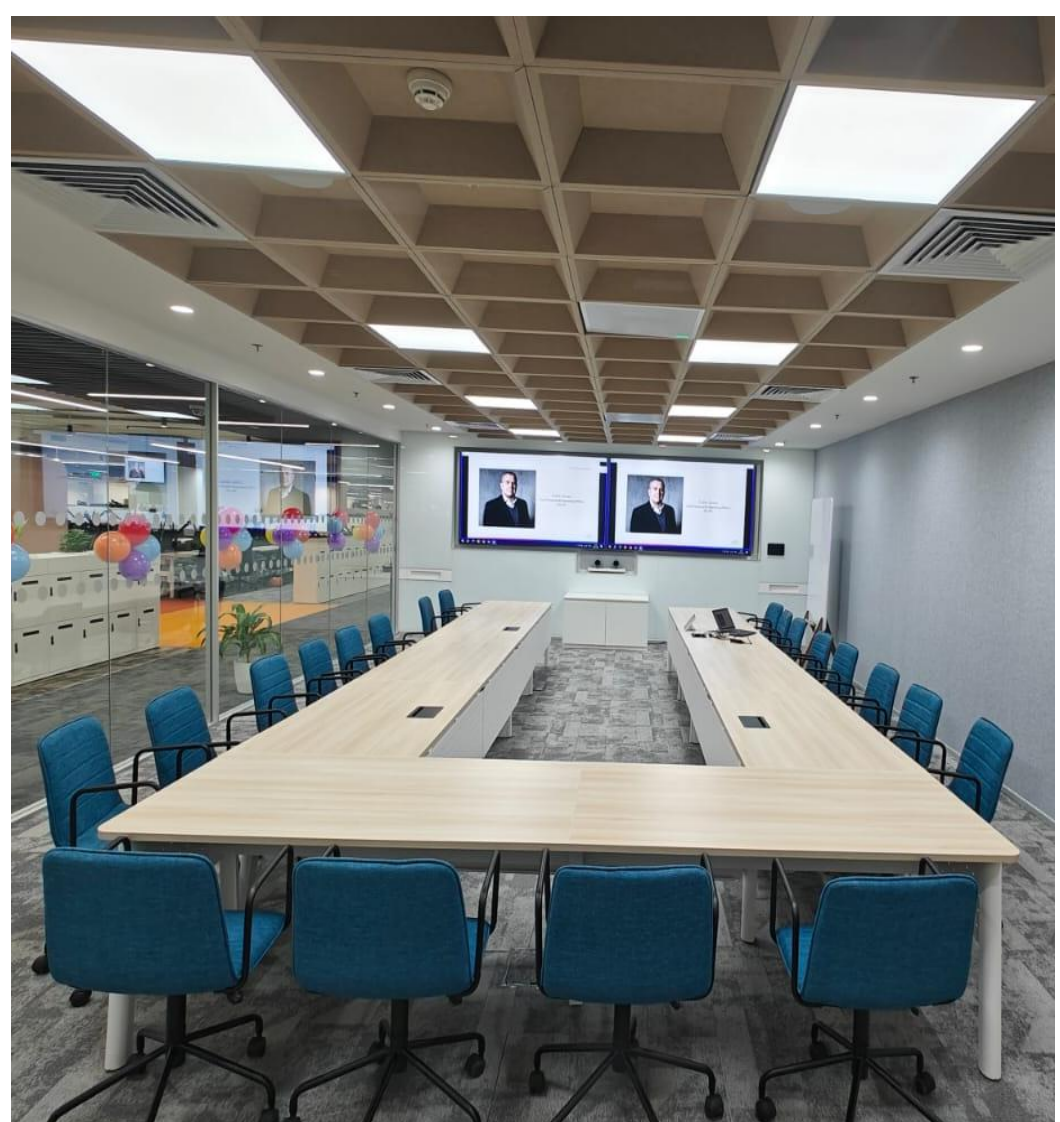

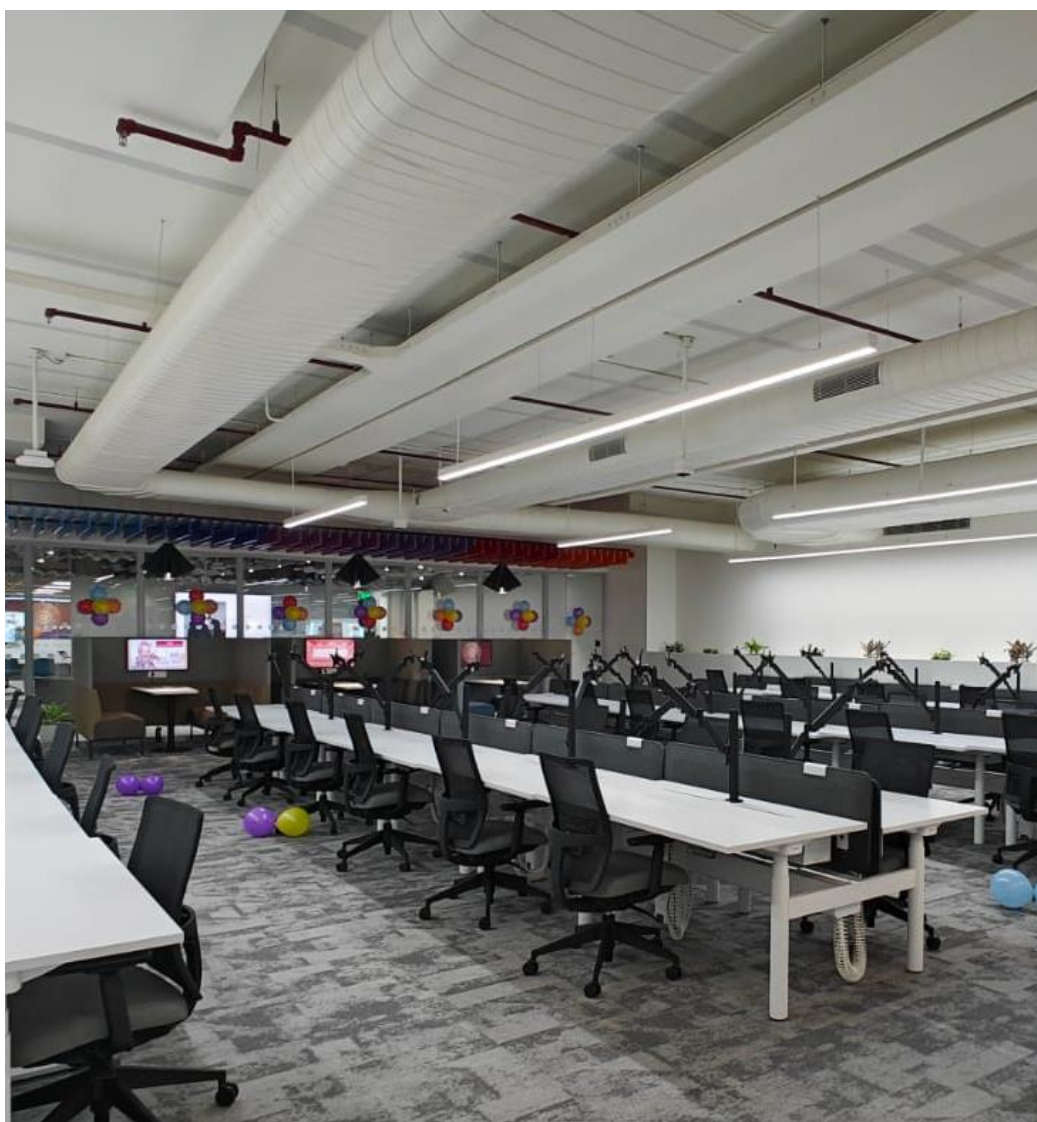

Creating everyday enjoyment in the lives of its customers, Comcast shares a common goal of connecting people and addressing digital inequities.

The Comcast office, Chennai (1,30,000 sq.ft in area) , designed by Cherry Hill Interiors was delivered within 180 days, with the intent to provide the client with a workspace that would allow for multiple meeting zones and an open work area for optimum space utilisation.

A flexible layout, coffered ceiling (adding depth) and play of design elements allow for both, a functional and an integrated workspace, providing employees with an environment that is safe, supportive and uninterrupted.

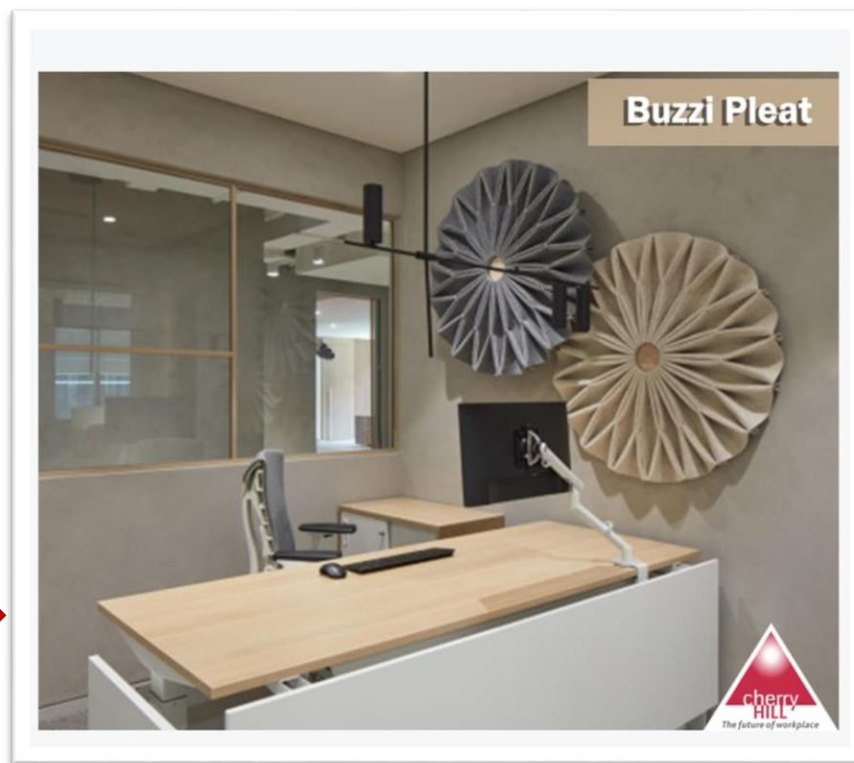

Colors add harmony to the space and are true to the Company's brand values and identity. *At Comcast, interiors have been reimagined similar to the lives of customers, providing all that is essential for a digitally growing space.*
