Tilkka means a splash of water caused by a thrown pebble. It lasts just a moment, yet offers a calming and relaxing experience. The same can be said about those rare and precious moments during the day that you can spend in the cosy embrace of the Tilkka armchairs and sofas. Keep in mind that life is all about balance.

Upgrade your workspace with Kastel Key Go - the perfect ergonomic chair for modern office environments. Experience ultimate comfort and support with its customizable features and sleek design.

Its flexible backrest and seat height adjustment feature make it perfect for people of all sizes and shapes

Kastel Klint, designed by Arch. Franco Driusso is a sofa system designed to achieve high modular flexibility while maintaining timeless elegance intact. Back and armrest, molded-in high-density polyurethane, give visual and formal lightness, thanks to the space created inside. The perfect coating, even in the most complicated parts, shows the high expertise of our upholsterers, while the quilting option allows the light to create an exciting surface movement.
