PROJECT SHOWCASE | INNODATA (DELHI) – D&B EXECUTED BY CHERRY HILL INTERIORS

Innodata Inc., formerly Innodata Isogen, Inc., is an American company that provides business process, technology and consulting services. The company also provides products that aim to help clients create, manage, use and distribute digital information.

Executed by Cherry Hill Interiors, Innodata Delhi pertains to Online education retail sector. The company wanted a contemporary, geometrical and functional space. The workplace is classic and calm, ensuring focus on work and productivity. The color and textures are monolithic with earthy tones of grey, brown and white for a sense of control and calmness at work.

The reception has a bold cell ceiling levels with drum lights creating drama in the forefront. The eyes are drawn along organic corridors taking one through the meeting stations, creating an element of surprise.

Café doubles up as a collaboration zone .Breakouts and training areas have an addition of wood for warmth and comfort. Breakout ensures break from work as it opens away from work desks. A contemporary classic, well thought out and delivered!
