PROJECT SHOWCASE | OPTUM (HARYANA) – C&I EXECUTED BY CHERRY HILL INTERIORS

Optum connects the brightest people, places and ideas across the health care ecosystem to create better care

The project was executed by Cherry Hill Interiors Pvt. Ltd. The motto was to keep the space collaborative in order to ensure a continuous interaction between teams, groups, and management.

The working zones have been essentially designed keeping in mind the orientation of the building so that maximized sunlight can be harnessed for the employees working inside.

The choice of workstations comprehend to the modern day requirements of agile & ergonomically sound stations which are user responsive. These stations also provide sufficient privacy required to work peacefully while also give a sense of openness in the entire facility.

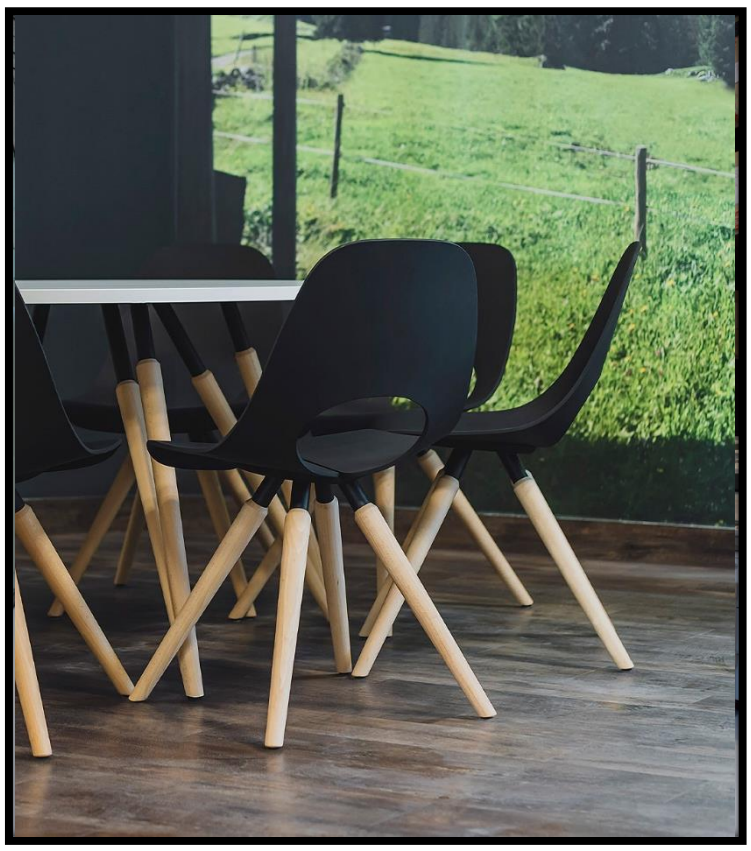
Maximum use of vibrant colors have been used to make people feel better, happier and something that will enhance their personality and the space gets more enhanced with the exposed concrete raw look which is nowadays very prominent and new to the market

Overall, the feel of the office is young and trendy keeping the brand and culture of the company alive.

PRODUCT SHOWCASE | PREMIUM OFFICE FURNITURE BY CHERRY HILL INTERIORS

NOWYSTYl - TAUKO

Tauko is characterized by its soft, eye-catching organic shapes and the use of high quality wooden components. Chairs are distinguished by their unusual shape of the seat which consists of two halves that are tied down from below. Thanks to the well-contoured shell, the line is aesthetically pleasing and comfortable.



VICCARBE - COLUBI

An excellent sofa with utmost comfort and visibly aesthetic design right for the areas where one needs to relax and collaborate. Its compact proportions offering utmost comfort and steel frame with adjustable gliders make this collection a resounding success. Calibrated steel structure powder coated in thermos reinforced polyester in black or white with non-slip pads. .

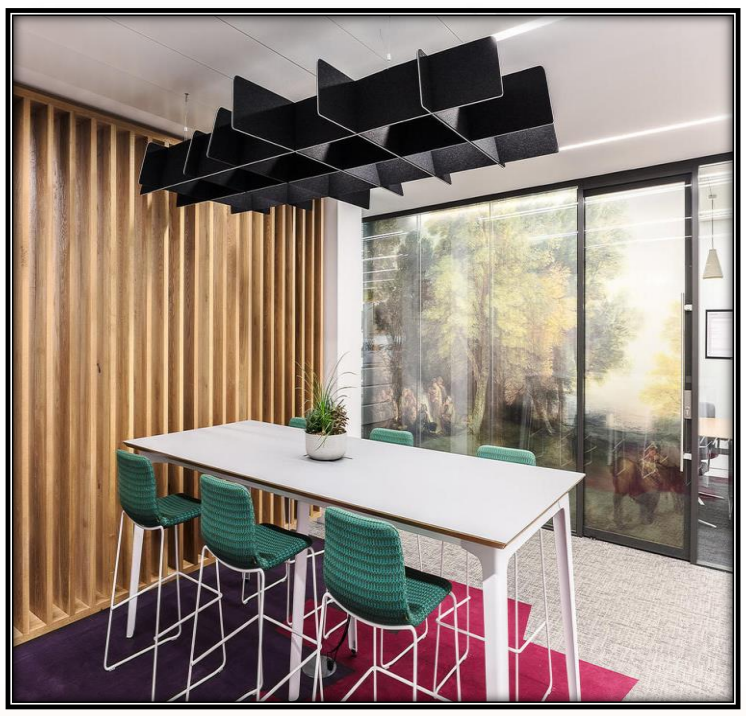
KASTEL - K2

Poufs modular system composed of:
- Cylindrical element;
- Cylindrical element with support top;
- Shaped element;
- Shaped element with side supports.

On antislip glides, in one-color or two colors version.



BUZZI – GRID

Go for this sound buffer if you want to limit echo in a room. The grids act as a functional sound absorbing solution that can be used in any open space, defining specific areas. This versatile sound-absorbing ceiling solution, that can be easily assembled, is the perfect fit for meeting rooms, lobbies, or other public spaces.
