## PROJECT SHOWCASE | Legato (Hyderabad) – Civil & Interiors EXECUTED BY CHERRY HILL INTERIORS

Legato Health Technologies is an IT and business consulting healthcare solutions company that specializes in utilizing digital tools to simplify healthcare.

Founded in 2017 as a fully owned subsidiary of Elevance Health, Legato is committed to transforming the world of healthcare through operational excellence, innovation, and digital transformation.

We are uniquely positioned to enable enterprises & organizations across technology domains including data analytics, digital technologies, automation & AI and streamlined business processes, with robust infrastructure and fluid operational capacity. Our claims processing, provider data operations, corporate functions, and delivery excellence are some of the most recognized areas in the industry.

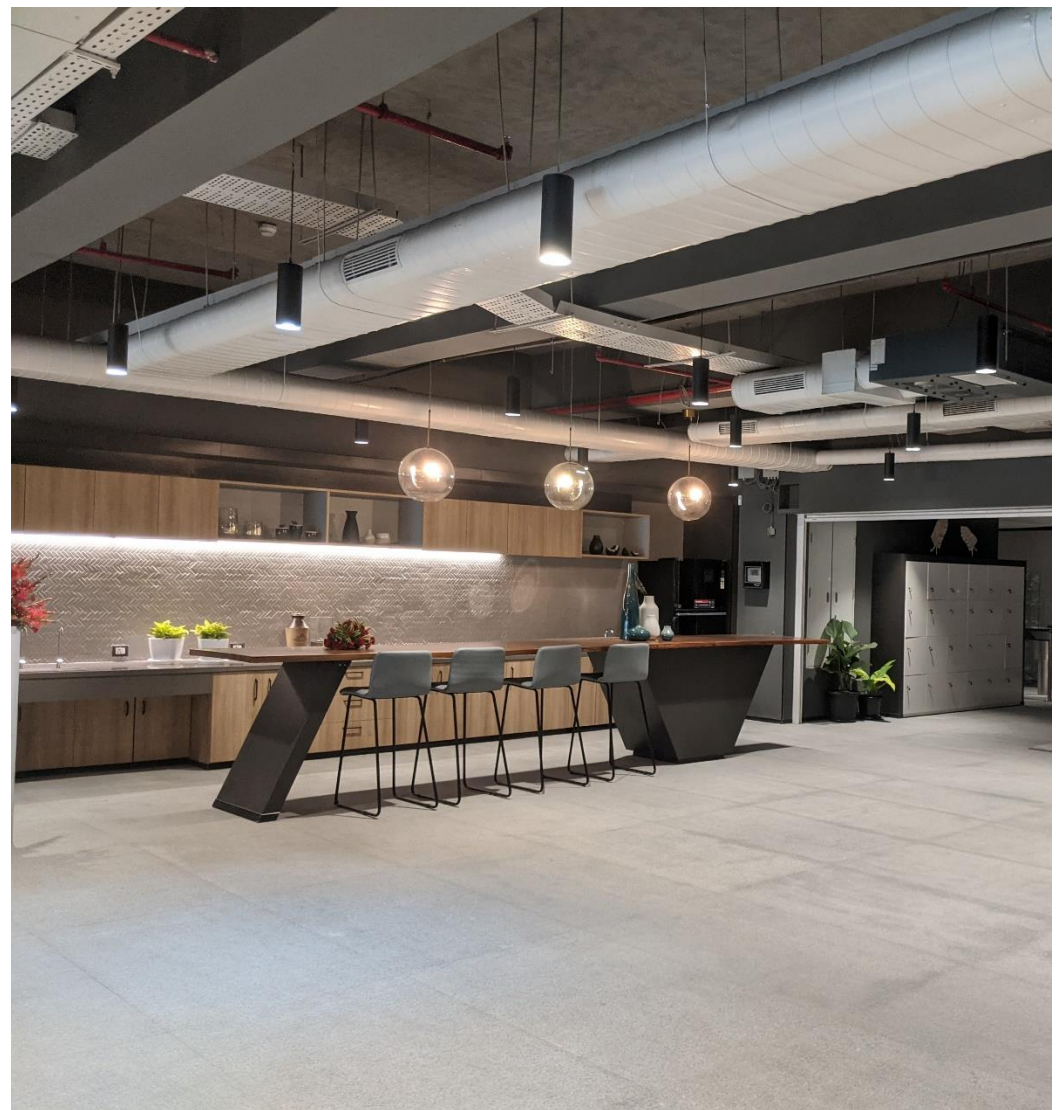

The project of 3,00,000 sq. ft. comprised of 120 Days. An office of International Standards according to the necessities of the client was delivered within the given time span.

The working zones are arranged in such a manner that there is efficiency and a sense of comfort at the same time. The break out zones or the collaboration zones are designed such that they are an oasis of greens and a person is at ease.

The nature has been brought inside through the design elements, and this in turn provides a serene working environment. The office space imparts a sense of belonging and comfort, just the way the brand promises.

Be it the soothing palette or the welcoming spaces, it subtly reminds one of the care and wellbeing being promised by the brand Legato.

Kastel Klint, designed by Arch. Franco Driusso is a sofa system designed to achieve high modular flexibility while maintaining timeless elegance intact. Back and armrest, molded-in high-density polyurethane, give visual and formal lightness, thanks to the space created inside. The perfect coating, even in the most complicated parts, shows the high expertise of our upholsterers, while the quilting option allows the light to create an exciting surface movement.

Kastel Kruna is part of the Bench seating Kastel range. Kruna bench seating is available in 2, 3 or 4 seats that can be hooked together, are characterized by a single supporting structure in steel and by linear or rhomboidal stitching.

Buzzi Nest Booth and Pod are great alternatives to expensive infrastructure and all you need to erase disruptive noise from any workplace. Buzzi Nest works well to absorb and attenuate Mid, Low, and High frequencies and can reduce a conversation to an indistinguishable whisper. In addition to fulfill an essential technical requirements of many closed spaces with highly acoustic properties for taking quiet calls, these pods also add a flair of aesthetics to your office environment

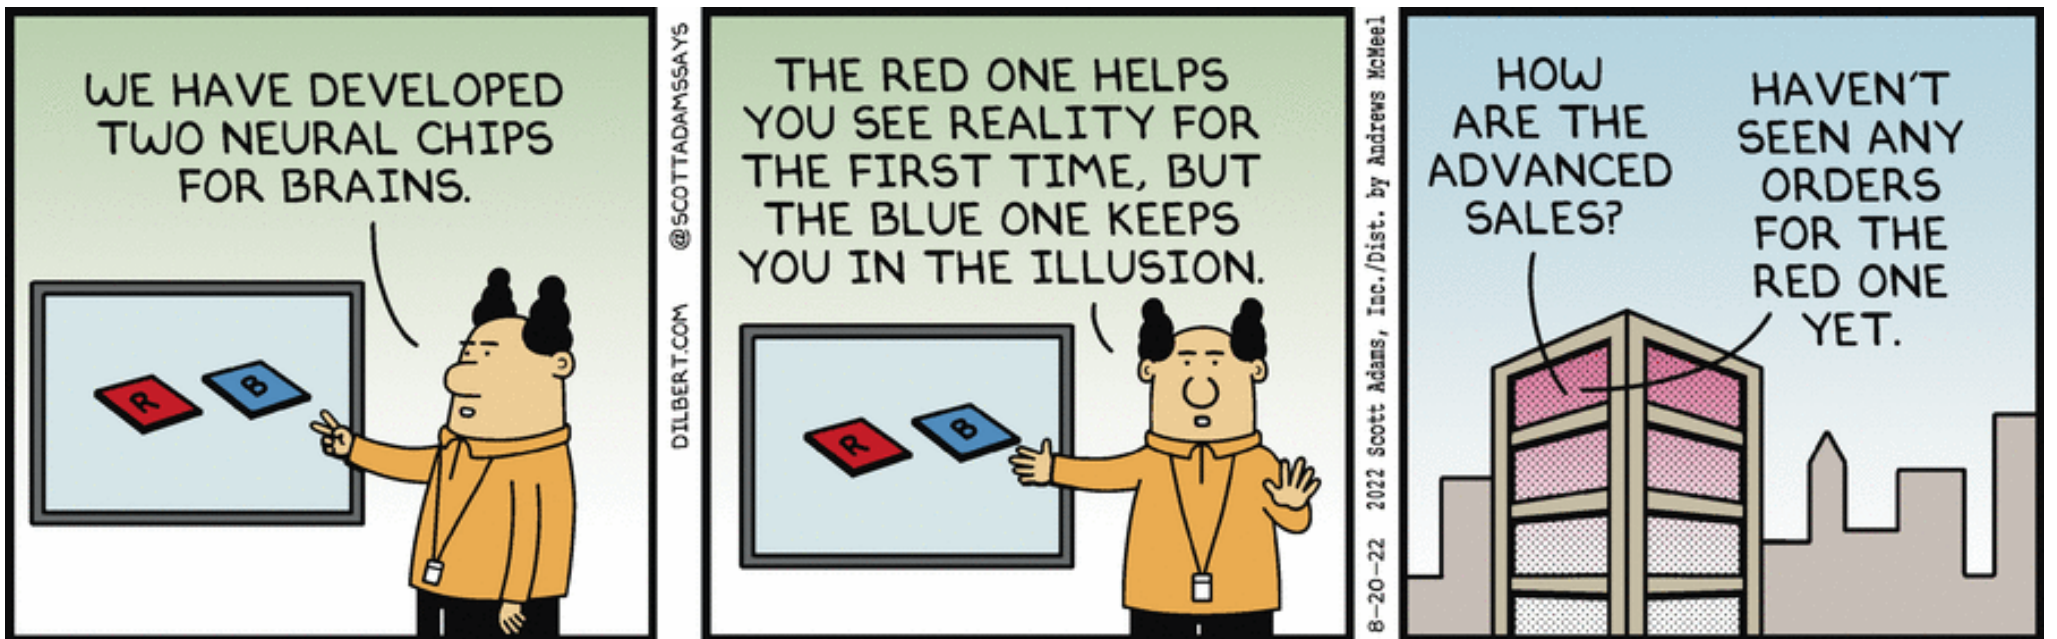

MOVISI modular storage system. BUILD is a Modular set of Shelving units that can be compiled and configured to your liking. Coming in black and white, each piece is lightweight and can become shelving or act as a partition. Installed in just a few minutes, and doesn't require any tools! Exclusively available in India, through Cherry Hill Interiors.
