 Duration: 60 Days

PROJECT SHOWCASE | Merck (Bengaluru) – Civil and Interior EXECUTED BY CHERRY HILL INTERIORS

As a leading science and technology company, Merck operates across healthcare, life science and electronics. Merck employees work to make a positive difference to millions of people’s lives every day by creating more joyful and sustainable ways to live. From advancing gene editing technologies and discovering unique ways to treat the most challenging diseases to enabling the intelligence of devices – the company is everywhere. Scientific exploration and responsible entrepreneurship have been key to Merck’s technological and scientific advances.

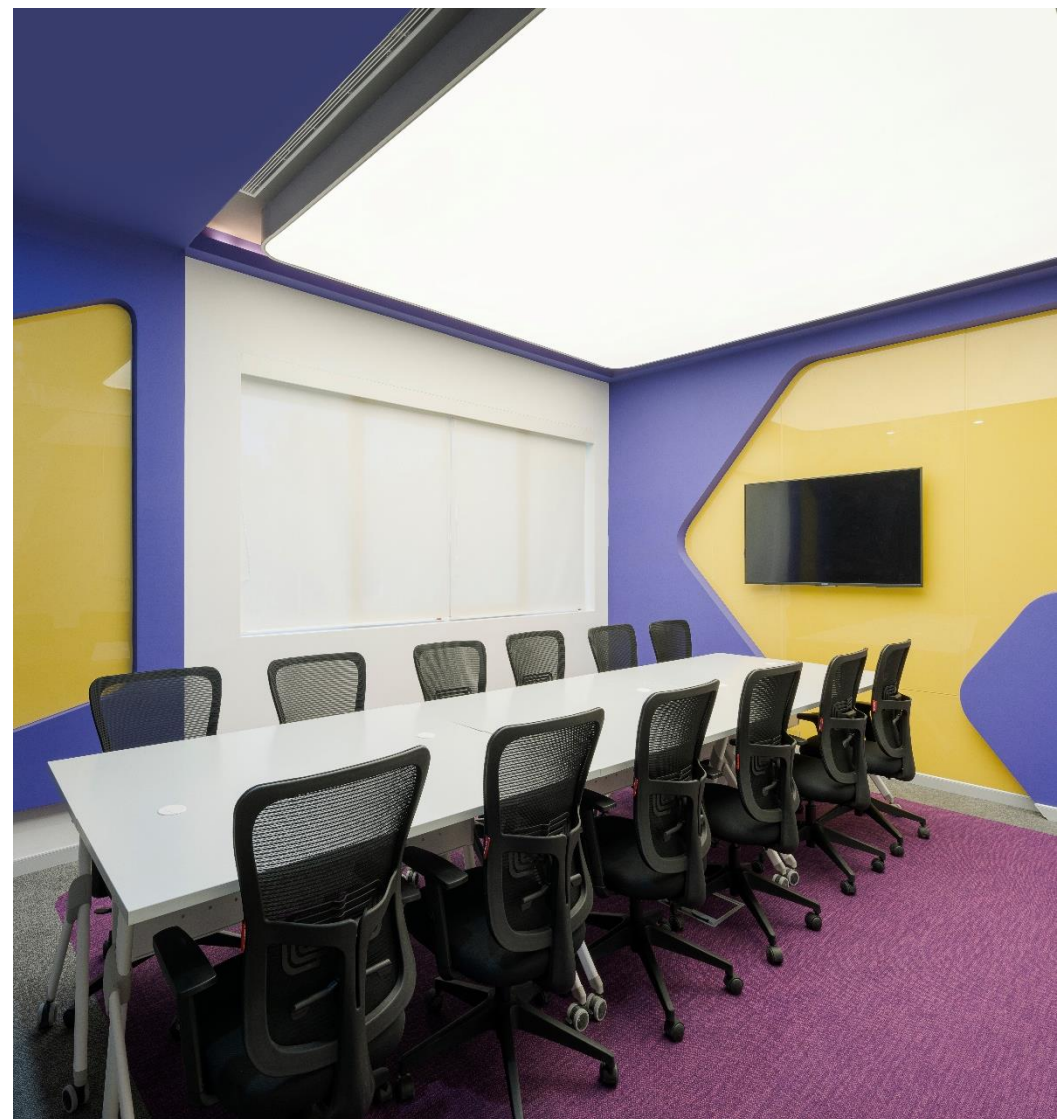

This project site was delivered in 60 Days. An office of International Standards according to the necessities of the client was delivered within the given time span.

The working zones have been essentially designed keeping in mind the orientation of the building so that maximized sunlight can be harnessed for the employees working inside.

It's simple but sophisticated style boasts of vibrancy and colors. The office gives a fresh contemporary look furthered by the use of bright colors throughout the space.

The interior space clearly reflects the company's values – it is simple, creative, and democratic, inspiring its employees to move ahead in life.
