PROJECT SHOWCASE | Bechtel (Chennai) – General Contracting EXECUTED BY CHERRY HILL INTERIORS

Bechtel has performed work on several major projects in India, including the huge Jamnagar refining complex on the northwestern coast, the Dabhol power plant on the Maharashtra coast, and the KG D6 gas development project in the Bay of Bengal.

Bechtel builds and commits to improving the standard of living and quality of life of the local communities. Bechtel strives to improve the civic, economic, educational, and social environment around the globe.

Since 1898, Bechtel has helped customers complete more than 25,000 projects in 160 countries on all seven continents.

Creating everyday enjoyment in the lives of its customers, Bechtel shares a common goal of connecting people and addressing digital inequities.

The Bechtel office, Chennai (20,000 sq.ft in area), Executed by Cherry Hill Interiors was delivered, with the intent to provide the client with a workspace that would allow for multiple meeting zones and an open work area for optimum space utilisation.

A flexible layout, coffered ceiling (adding depth) and play of design elements allow for both, a functional and an integrated workspace, providing employees with an environment that is safe, supportive and uninterrupted.

Colors add harmony to the space and are true to the Company's brand values and identity. At Bechtel, interiors have been reimagined similar to the lives of customers, providing all that is essential for a digitally growing space.
