PROJECT SHOWCASE | Terumo (Gurugram) – Design & Build EXECUTED BY CHERRY HILL INTERIORS

Terumo is a global medical device company originating from Japan.

They pursue reliable quality and technology to contribute to healthcare in more than 160 countries and regions worldwide.

At Terumo, they strive to reduce patients' mental and physical difficulties while delivering solutions that help address various challenges in medical settings.

They are committed to working alongside healthcare professionals to make meaningful contributions to society, both now and in the future.

Creating everyday enjoyment in the lives of its customers, Terumo shares a common goal of connecting people and addressing digital inequities.

The Terumo office, Gurugram (30,000 sq.ft in area), Executed by Cherry Hill Interiors was delivered, with the intent to provide the client with a workspace that would allow for multiple meeting zones and an open work area for optimum space utilisation.

A flexible layout and play of design elements makes the space functional and an integrated workplace, providing employees with an environment that is safe, supportive and uninterrupted.

Colors add harmony to the space and are true to the Company's brand values and identity. At Terumo, interiors have been reimagined similar to the lives of customers, providing all that is essential for a digitally growing space.

PRODUCT SHOWCASE | PREMIUM OFFICE FURNITURE BY CHERRY HILL INTERIORS

Kastel Korner is part of the Bench seating Kastel range. Korner seating for large waiting rooms, with a painted steel structure, are available in various solutions and materials. The seat can be in perforated plate, with padded seat and back in perforated plate, or padded seat-back.

Buzzi Blinds feature a unique range of shapes and v-cut technology for added visual impact. The aluminum structure has a BuzziFelt sleeve which is available in 12 colors.

The Buzzi Balance Board is ideal for seating purposes and for standing as well. While standing, it becomes a muscle activator which is great for the mind and body.

Buzzi Pleat Light's architectural folds maximize surface area, delivering excellent acoustic performance. The solution's large folds trap mid and low tones to prevent sound waves from bouncing back and forth between hard surfaces. Combine multiple BuzziPleat Lights at different suspension heights to mitigate sound within spaces with high ceilings.

A quick glance at the Women's day celebrations held at Cherry Hill Interiors! We are grateful to have such women of extraordinary talents in our team and wish them all a very happy Woman's day 2025!
