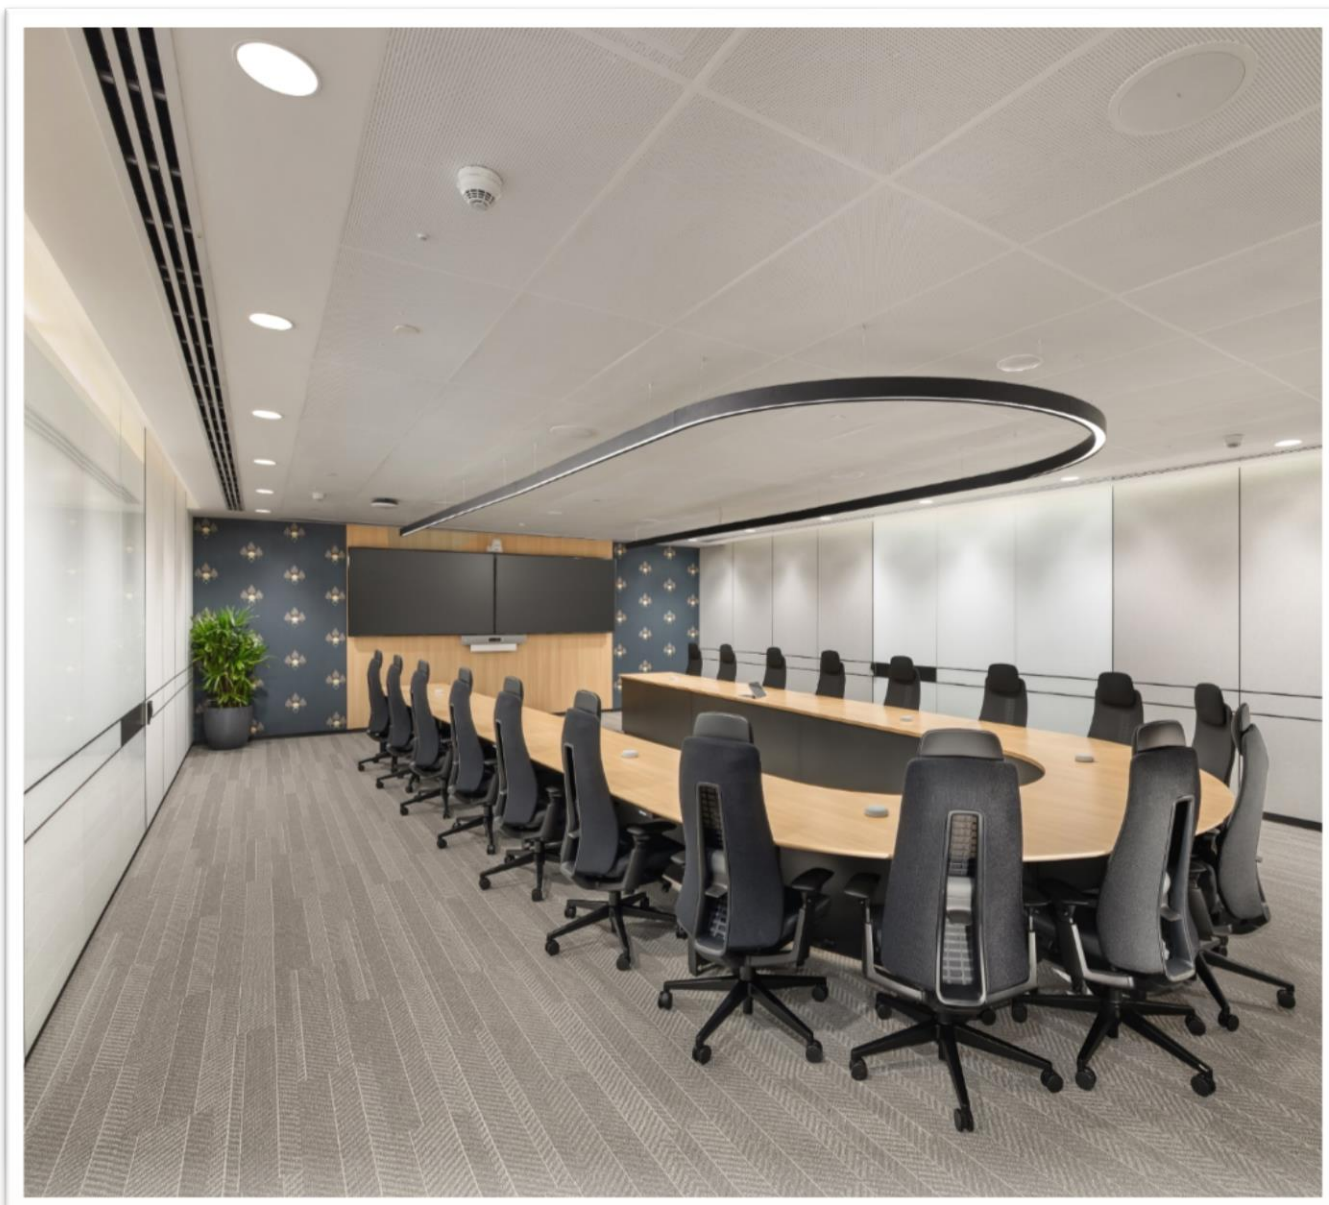
Scope:	General Contracting

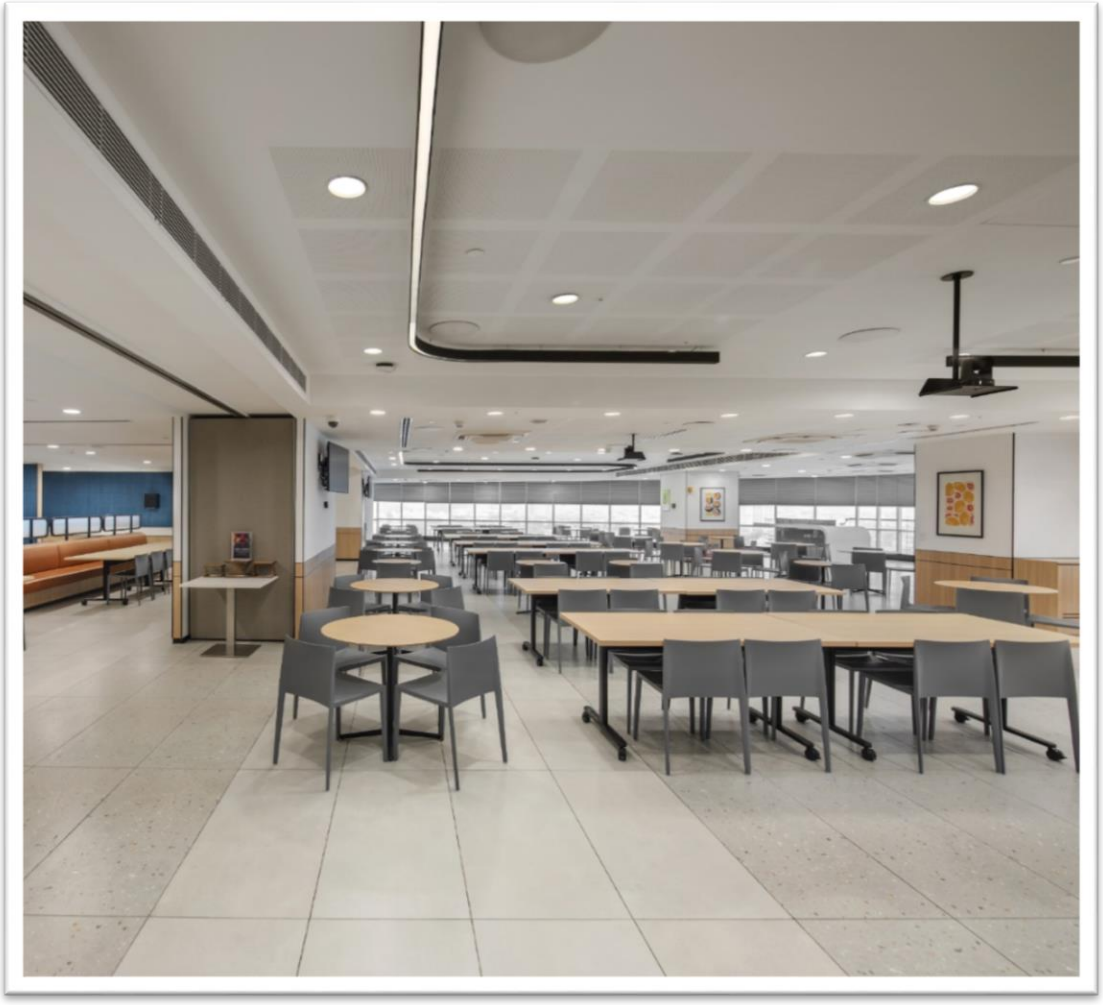
PROJECT SHOWCASE | American Express (Gurugram) – General Contracting EXECUTED BY CHERRY HILL INTERIORS

American Express (often referred to as Amex) is a leading global financial services corporation headquartered in New York City, founded in 1850.

The company is best known for its credit cards, charge cards, and traveler's cheques, catering to both individual and business customers. Renowned for its exceptional customer service, robust rewards programs, and premium card offerings, American Express has a strong brand presence in the luxury and corporate segments.

It also provides a wide range of financial products including merchant services, expense management, and travel-related services, making it a key player in the global payments and financial ecosystem.





Creating everyday enjoyment in the lives of its customers, American Express shares a common goal of connecting people and addressing digital inequities.

The American Express office, Gurugram (1,50,000 sq.ft in area),executed by Cherry Hill Interiors was delivered, with the intent to provide the client with a workspace that would allow for multiple meeting zones and an open work area for optimum space utilisation.

A flexible layout and play of design elements makes the space functional and an integrated workplace, providing employees with an environment that is safe, supportive and uninterrupted.

Colors add harmony to the space and are true to the Company’s brand values and identity. At American Express, interiors have been reimagined similar to the lives of customers, providing all that is essential for a digitally growing space.
