PROJECT SHOWCASE | Global AI & Data Transformation Company (Gurugram) – Civil & Interiors EXECUTED BY CHERRY HILL INTERIORS

Global AI & Data Transformation Company
A leading global AI and data transformation company, empowering organizations to achieve sustainable business impact from their digital investments by delivering measurable ROI through AI at scale.

Cherry Hill Interiors successfully delivered this 3,00,000 sq. ft. workplace in Gurugram for a leading technology and digital services organization, executing a comprehensive scope encompassing civil works, interior fit-outs, architectural finishes, bespoke joinery, workplace branding, and furniture integration.

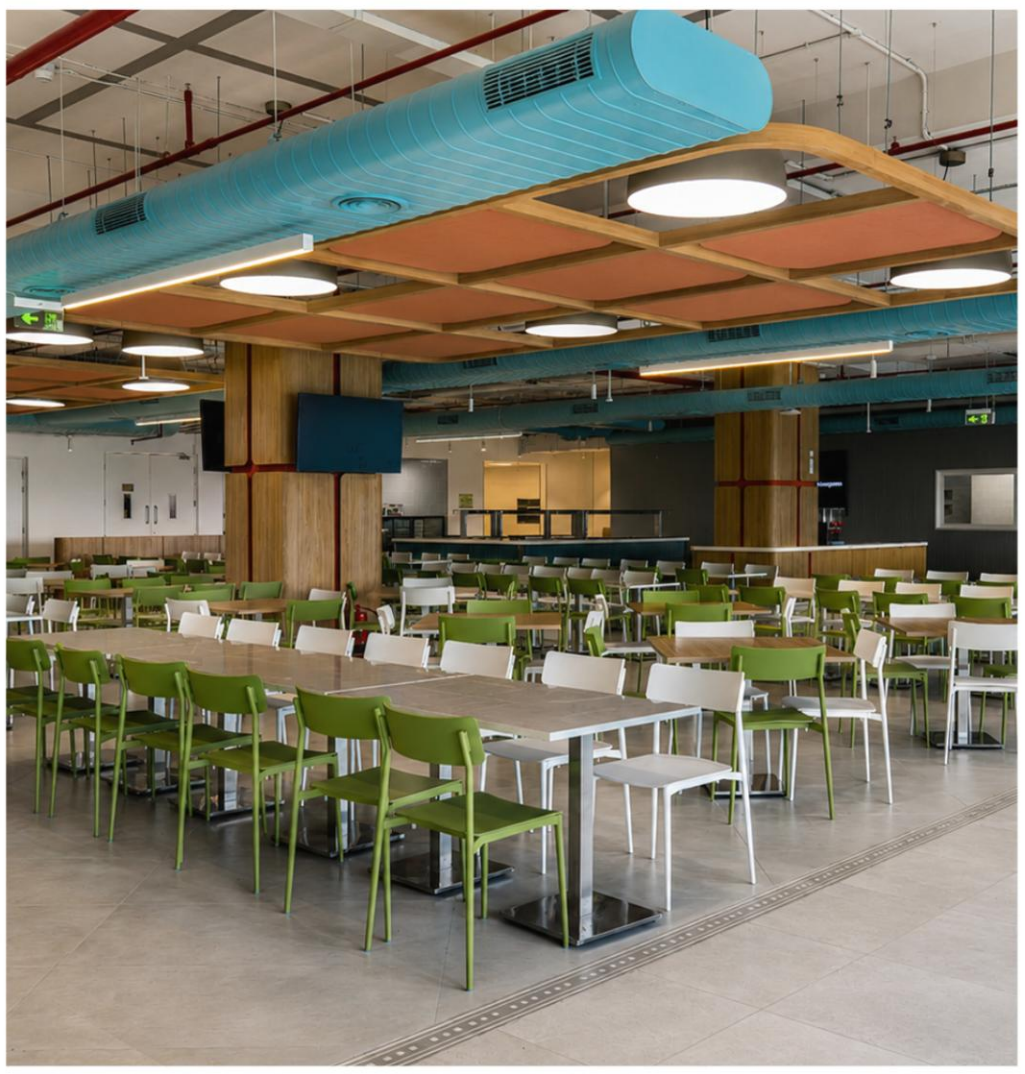
The workplace was planned as a highly collaborative, employee-centric environment that seamlessly integrates open workstations, executive and leadership suites, meeting and conferencing facilities, training rooms, breakout areas, collaboration hubs, cafeterias, and employee engagement spaces. The objective was to create a flexible and future-ready workplace capable of supporting diverse work styles while enhancing productivity, interaction, and employee experience.

The project demanded extensive coordination across multiple stakeholders, consultants, vendors, and specialist trades, requiring meticulous planning, execution sequencing, and project controls to ensure timely delivery without compromising on quality. From civil modifications and space planning to high-end finishes and detailed fit-outs, every aspect of the workplace was executed with precision and attention to detail.

Leveraging its in-house project management expertise, manufacturing capabilities, and pan-India execution strength, Cherry Hill ensured seamless coordination across all phases of delivery, maintaining stringent standards of safety, quality, and schedule adherence throughout the project lifecycle.

A key focus of the project was optimizing space utilization while maintaining openness, functionality, and operational efficiency. Through strategic planning and integrated execution, Cherry Hill transformed the workplace into a modern corporate environment that balances collaboration, focus, and flexibility.

The successful completion of this large-format workplace reinforces Cherry Hill's expertise in delivering complex corporate interiors at scale and demonstrates our ability to create high-performance work environments that align with the evolving needs of modern organizations.



PRODUCT SHOWCASE | PREMIUM OFFICE FURNITURE BY CHERRY HILL INTERIORS

Buzzi Blinds feature a unique range of shapes and V-cut technology for added visual impact. The aluminum structure has a Buzzi Felt sleeve, which is available in 12 colors. Personalize your Buzzi Blinds with an extra layer of fabric or add wheels to the baseplate so it's easy to move around.

Buzzi Pleat Light's architectural folds maximize surface area, delivering excellent acoustic performance. The solution's large folds trap mid and low tones to prevent sound waves from bouncing back and forth between hard surfaces. Combine multiple Buzzi Pleat Lights at different suspension heights to mitigate sound within spaces with high ceilings.

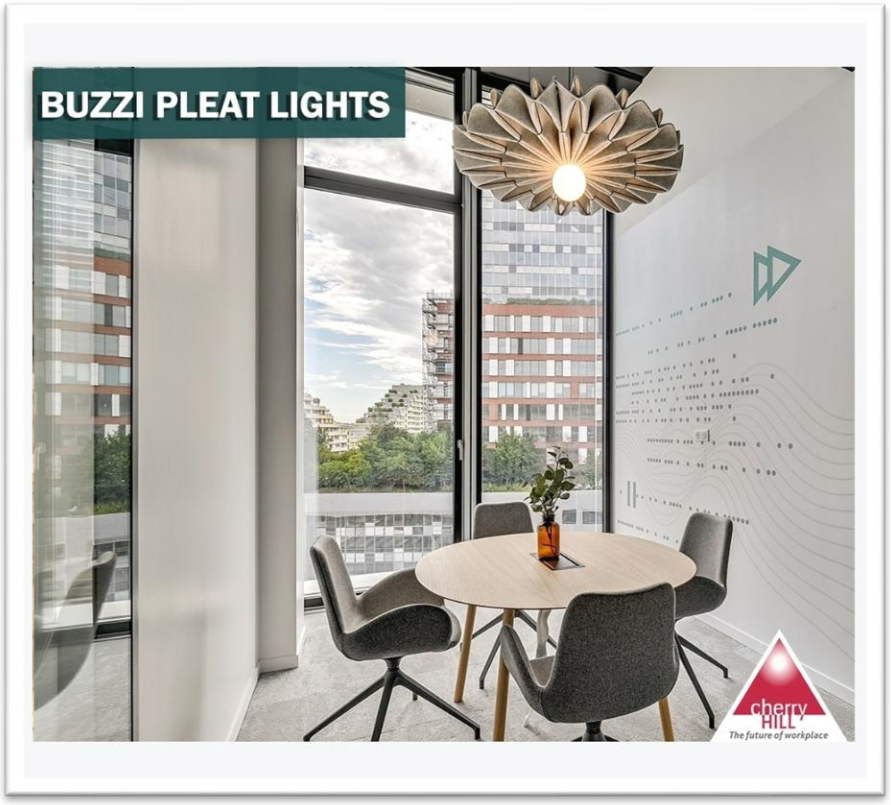
The future of workplace



Cherry Hill Interiors brings you the Kastel Korner. It is part of the Bench seating Kastel range. Korner seating for large waiting rooms, with a painted steel structure, is available in various solutions and materials. The seat can be on a perforated plate, with a padded seat and back in a perforated plate, or a padded seat-back.

Exclusively available in India through Cherry Hill Interiors, Kaleido Modular Seating is part of the sophisticated Soft Seating range by Kastel. Designed by renowned designer Franco Driusso, Kaleido features versatile upholstered modules with both angular and linear configurations—perfectly suited for dynamic waiting areas and collaborative spaces.

HEALTH-CHECK: HEALTH BENEFITS OF MUSKMELON

- **Boosts Hydration:** Muskmelon contains over 90% water, helping keep the body hydrated, cool, and refreshed, especially during hot summer days.
- **Supports Immunity:** Rich in vitamins A and C, muskmelon helps strengthen the immune system, protects against infections, and supports overall health.
- **Promotes Healthy Skin:** Packed with antioxidants and essential nutrients, muskmelon nourishes the skin, improves elasticity, and helps maintain a natural glow.
- **Aids Digestion:** High water content and dietary fiber support smooth digestion, help prevent constipation, and promote a healthy digestive system.
